

**Civil Engineering and Development Department**  
**Post-Secondary Student Summer Internship Programme and Vacation Training Scheme 2025**

**General Requirements:**

- (1) Applicants should be currently enrolled in **full-time** courses of post-secondary institutions **locally** or **overseas**.
- (2) Applicants' subjects of study for each post are specified (if any) below.
- (3) Applicants should be fluent in both Cantonese and English.
- (4) Applicants should produce transcripts issued by the appropriate authority of their post-secondary institutions certifying their academic status in the institutions; and relevant certificates showing the results of English and Chinese languages in public examinations.

<b>Allowance:</b>	HK\$11,200 per month
<b>Terms of Engagement:</b>	Successful applicants will be engaged under non-civil service appointment terms.
<b>How to Apply:</b>	<p>(1) Completed application forms with copies of all academic transcripts at post-secondary institutions and relevant certificates such as certificates of the Hong Kong Diploma of Secondary Education Examination, the Hong Kong Certificate of Education Examination, the Hong Kong Advanced Level Examination and other public language examinations (e.g. TOEFL, IELTS, GCE and GCSE etc.) showing the results achieved in English and Chinese languages in such examinations, should be forwarded to the following address <b><u>on or before</u></b> the closing date of application. Please specify on the envelope '<b>Application for Summer Intern</b>'. <b>If candidates fail to provide the required documents as requested by 21 March 2025, their applications will not be considered.</b></p> <p>(2) In view of the time required in overseas mailing, overseas applicants are advised to e-mail their completed application forms with the required <b>supporting documents</b> to <a href="mailto:appt3@cedd.gov.hk">appt3@cedd.gov.hk</a>.</p> <p>(3) Each applicant should at most apply for <b>ONE</b> post. Otherwise, the applicant will not be considered.</p> <p>(4) <b>Applications that are incomplete, late or without photocopies of academic transcripts and relevant certificates will also not be considered.</b></p> <p>(5) To facilitate communication, applicants are reminded to provide their e-mail addresses and contact telephone numbers on their application forms.</p> <p>(6) Selection interviews are not required and successful applicants will be notified separately. Those who have not received any notification from the Civil Engineering and Development Department by 1 July 2025 may assume their applications are unsuccessful.</p>
<b>Address:</b>	Appointments Section, Civil Engineering and Development Department, 14/F, Civil Engineering and Development Building, 101 Princess Margaret Road, Kowloon, Hong Kong.
<b>E-mail Address:</b>	<a href="mailto:appt3@cedd.gov.hk">appt3@cedd.gov.hk</a>
<b>Enquiry Telephone:</b>	+852 2762 5407
<b>Closing Date of Application:</b>	21 March 2025

<b>General Notes:</b>	<ul style="list-style-type: none"><li>(a) Candidates must be permanent residents of the Hong Kong Special Administrative Region at the time of appointment unless specified otherwise.</li><li>(b) As an Equal Opportunities Employer, the Government is committed to eliminating discrimination in employment. The vacancy advertised is open to all applicants meeting the basic entry requirement irrespective of their disability, sex, marital status, pregnancy, age, family status, sexual orientation and race.</li><li>(c) Non-civil service vacancies are not posts on the civil service establishment. Candidates appointed are not on civil service terms of appointment and conditions of service. Candidates appointed are not civil servants and will not be eligible for posting, promotion or transfer to any posts in the Civil Service.</li><li>(d) The entry pay, terms of appointment and conditions of service to be offered are subject to the provisions prevailing at the time the offer of appointment is made.</li><li>(e) Where a large number of candidates meet the specified entry requirements, the recruiting department may devise shortlisting criteria to select the better qualified candidates for further processing. In these circumstances, only shortlisted candidates will be invited to attend recruitment examination and/or interview.</li><li>(f) It is Government policy to place people with a disability in appropriate jobs wherever possible. If a disabled candidate meets the entry requirements, he/she will be invited to attend the selection interview/written examination without being subject to any further shortlisting criteria.</li><li>(g) Holders of academic qualifications other than those obtained from Hong Kong institutions/Hong Kong Examinations and Assessment Authority may also apply but their qualifications will be subject to assessments on equivalence with the required entry qualifications. They should submit copies of their official transcripts and certificates by mail to the contact address.</li><li>(h) Please note that all underpaid or unpaid mail items will not be delivered to this Department and will be returned to the sender (if a return address is provided) or disposed of in accordance with laid down procedures to the Hongkong Post. It is therefore important that you affix sufficient postage to mail items addressed to this Department to avoid any possible non-delivery.</li></ul>
-----------------------	--

## Vacancy Details

### **Job Title: Post 1 – Summer Intern (Information Technology and Innovation Unit)**

Entry Requirements:	(a) Year 1 or above in Computer Sciences / Information Technology / Computer related Degree Course or equivalent is required; and (b) Basic IT knowledge.
Duties:	To update IT inventory records and assist in workflow system.
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

### **Job Title: Post 2 - Summer Intern (Public Relations Unit)**

Entry Requirements:	(a) Year 2 or 3 in Bachelor Degree in New/ Creative Media or Advertising / Communication Design is required; and (b) Skills in Graphics / illustration design, photo / video editing and desktop publishing are preferred.
Duties:	To assist in development and implementation of publicity ideas for promoting departmental image, e.g. creation of promotional videos, social media posts, printed materials, etc.
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

### **Job Title: Post 3 - Summer Intern (Survey Division)**

Entry Requirements:	(a) Year 2 or 3 in Land Surveying and Geo-Informatics Degree Course or equivalent is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	(1) To assist in the land surveying activities; (2) To assist in Building Information Modelling (BIM) application, remote sensing analysis and development of GIS for surveying application; and (3) To assist in the application and development of new survey technologies.

Normal Place of Work:	West Kowloon Government Offices / One Mongkok Road Commercial Centre
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 4 - Summer Intern (Survey Division)**

Entry Requirements:	(a) Year 1 in Higher Diploma in Geospatial Science and Land Surveying Course or equivalent is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	(1) To assist in the land surveying activities; (2) To assist in Building Information Modelling (BIM) application and remote sensing analysis and the development of GIS for surveying application; and (3) To assist in the application and development of new survey technologies.
Normal Place of Work:	West Kowloon Government Offices / One Mongkok Road Commercial Centre
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 5 - Summer Intern (Fill Management Division)**

Entry Requirements:	Year 2 or above in Civil Engineering Degree Course is required.
Duties:	(1) To compile the data of forecast sediment disposal demand from planned projects in HK; (2) To compile the data of water quality for the Central Monitoring Management System report; and (3) To assist the tasks in the management of sediment disposal facility to the East of Sha Chau.
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 6 - Summer Intern (Fill Management Division)**

Entry Requirements:	(a) Year 2 or above in Computing or IT Degree Course; (b) Programming knowledge (e.g. Python, ASP.NET); and (c) Database knowledge (MS Access) are required.
Duties:	To assist in developing the fourth batch of some commonly used queries and reports, mainly on returns, reporting and database extractions from Trade Single Window System, for processing sand removal permit applications.
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 7 - Summer Intern (Fill Management Division)**

Entry Requirements:	(a) Year 2 or above in Computing or IT Degree Course; (b) Programming knowledge (e.g. C#, ASP.NET, JavaScript); and (c) Database knowledge (MS Access) are required.
Duties:	To assist in revamping the module in the existing Dumping Licence Information System to handle the database, statistics and automatic generation of letters for overloading non-compliances.
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 8 - Summer Intern (Pier Improvement Unit)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in contract administration and site supervision for the project “Improvement Works at Sai Wan Jetty”.
Normal Place of Work:	Civil Engineering and Development Building in Homantin, with occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 9 - Summer Intern (Pier Improvement Unit)**

Entry Requirements:	Year 2 or 3 in Civil Engineering Degree Course is required.
Duties:	To assist in the planning and design of projects under Pier Improvement Programme (e.g. Improvement Works at Yim Tin Tsai Pier, Improvement Works at Yung Shue O Jetty, etc.).
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 10 - Summer Intern (Special Duties (Works) Division)**

Entry Requirements:	(a) Year 2 or above in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in contract administration and site supervision for CV/2023/03 - Lift and Pedestrian Walkway System between Pik Wan Road and Lei Yue Mun Road, Yau Tong.
Normal Place of Work:	Site offices in Anderson Road and site in Yau Tong
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 11 - Summer Intern (Project Unit)**

Entry Requirements:	(a) Year 2 or above in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in contract administration and site supervision for CV/2022/08 - Site Formation and Infrastructure Works at Area 48, Fanling.
Normal Place of Work:	Site office in Sandy Ridge, Sheung Shui
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 12 - Summer Intern (Project Unit)**

Entry Requirements:	(a) Year 2 or above in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in contract administration and site supervision for CV/2023/02 - Site Formation Works at Queen's Hill Extension, Fanling.
Normal Place of Work:	Site office in Fanling
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 13 - Summer Intern (Housing Projects 2 Division)**

Entry Requirements:	(a) Year 2 or above in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist the Project Manager's Delegate in the daily contract administration and site supervision of the project: Site Formation and Infrastructure Works near Tan Kwai Tsuen in Yuen Long.
Normal Place of Work:	Site office in Yuen Long
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 14 - Summer Intern (Housing Projects 2 Division)**

Entry Requirements:	(a) Year 2 or above in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist the Project Manager's Delegate in the daily contract administration and site supervision of the project: Site Formation and Infrastructure Works for Public Housing Developments at Long Bin, Yuen Long.
Normal Place of Work:	Site office in Yuen Long
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 15 - Summer Intern (Materials and Testing Division)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in carrying out soil / rock tests, compilation of test data and technical development of laboratory tests.
Normal Place of Work:	Public Works Central Laboratory in Kowloon Bay and outside office
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 16 - Summer Intern (Materials and Testing Division)**

Entry Requirements:	(a) Year 2 in Higher Diploma in Civil Engineering is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in carrying out soil/rock tests, compilation of test data and technical development of laboratory tests.
Normal Place of Work:	Public Works Central Laboratory in Kowloon Bay and outside office
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 17 - Summer Intern (Landslip Preventive Measures Division 2)**

Entry Requirements:	(a) Year 2 or above in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To carry out desk study, inspection and other matters related to landslide investigation.
Normal Place of Work:	Civil Engineering and Development Building in Homantin, with occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 18 - Summer Intern (Landslip Preventive Measures Division 2)**

Entry Requirements:	(a) Year 2 or above in Civil Engineering Degree Course is required; and (b) Experience in Building Information Modelling (BIM) is desirable.
Duties:	To assist in the development of advanced BIM applications including 4D visualisation of natural terrain hazard mitigation works constructed under the Landslip Prevention and Mitigation Programme (LPMitP).
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 19 - Summer Intern (Slope Safety Division)**

Entry Requirements:	Year 2 or above in Data Science / Computer Science / Mathematics / Statistics or equivalent Degree Course is required.
Duties:	To assist in research and development of various areas of data-driven innovative technology applications related to slope safety (e.g. development of an AI-enabled 3D geotechnical model with uncertainty quantification based on ground investigation data).
Normal Place of Work:	Civil Engineering and Development Building in Homantin and occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 20 - Summer Intern (Slope Safety Division)**

Entry Requirements:	Year 2 / 3 in Data Science / Computer Science / Artificial Intelligence / Land Surveying and Geo-Informatics or equivalent Degree Course is required.
Duties:	To assist in enhancing the Emergency IT System, including the Common Operational Picture and Landslide Information System, by integrating intelligent chatbots.
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 21 - Summer Intern (Slope Safety Division)**

Entry Requirements:	(a) Year 2 or 3 in Bachelor Degree in New / Creative Media or Advertising / Communication Design is required; and (b) Skills in Graphics / illustration design, photo / video editing and desktop publishing are preferred.
Duties:	To assist in development and implementation of publicity ideas for promoting slope safety and other geotechnical engineering related topics, e.g. creation/editing of promotional videos/animations, social media posts, printed materials, etc.
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 22 - Summer Intern (Planning and Development Division)**

Entry Requirements:	Year 2 or above in Civil Engineering Degree Course is required.
Duties:	To assist in research and development in various areas of geotechnical engineering (e.g. design of deep excavations, design of retaining walls, risk analyses of man-made slopes and natural hillside catchments, evaluation of landslide risk, slope stability analysis, and slope stabilisation works).
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 23 - Summer Intern (Planning and Development Division)**

Entry Requirements:	(a) Year 2 or above in Mathematics, Statistics, Data Science or equivalent Degree Course is required; and (b) Knowledge of computer programming including Python is preferred.
Duties:	To assist in research and development in climate change related studies (e.g. Landslide prediction using different machine learning algorithms, analysis of rainfall pattern based on past records).
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 24 - Summer Intern (Planning and Development Division)**

Entry Requirements:	Year 2 or above in Civil Engineering Degree Course.
Duties:	To assist in research and development in various areas of geotechnical engineering (e.g. Landslide prediction models, rainfall and groundwater data analysis, seepage and slope stability analysis).
Normal Place of Work:	Civil Engineering and Development Building, Homantin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 25 - Summer Intern (Planning and Development Division)**

Entry Requirements:	(a) Year 2 or above in Earth Sciences / Geology / Earth System Sciences Degree Course is required; and (b) Knowledge of ArcGIS is preferred.
Duties:	(1) To help digitise various geological/landslide/aerial photograph-related information held by the Planning and Development Division; (2) To carry out/assist in geology-related projects; and (3) To assist in compiling and checking digital geological maps to be produced by the Planning and Development Division.
Normal Place of Work:	Civil Engineering and Development Building in Homantin and occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 26 - Summer Intern (Planning and Development Division)**

Entry Requirements:	(a) Year 2 or above in Earth Sciences / Geology / Earth System Sciences Degree Course is required; and (b) Knowledge of ArcGIS and Computer Programming including Python is preferred.
Duties:	(1) To assist in tasks related to terrain evaluation in the Planning Division and Development Division; (2) To assist in technical studies on applications of remote sensing data and geoinformatics development; and (3) To assist in tasks related to the Digital Aerial Photograph Interpretation System (DPAIS), Historical Landslide Catchments (HLCs).

Normal Place of Work:	Civil Engineering and Development Building in Homantin and occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 27 - Summer Intern (Mines Division)**

Entry Requirements:	(a) Year 2 or above in Computer Science Post-Secondary / Degree Course or equivalent is required; and (b) Being familiar with Java/PHP7/HTML5/JS/CSS/Selenium is preferred.
Duties:	(1) To perform a public facing website development; (2) To develop a management system developed by Java; (3) To prepare test automation scripts; and (4) To revamp user manual.
Normal Place of Work:	West Kowloon Government Offices and occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 28 - Summer Intern (East Development Office)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist the Project Manager's Delegate in the daily contract administration of works contract under Trunk Road T4 in Sha Tin.
Normal Place of Work:	Site office in Tseung Kwan O / works areas in Shatin
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 29 - Summer Intern (East Development Office)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) Green Card is required when reporting for duty.
Duties:	To provide assistance on project administration and consultancy administration for Tseung Kwan O Areas 137 and 132 projects.
Normal Place of Work:	West Kowloon Government Offices and occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 30 - Summer Intern (East Development Office)**

Entry Requirements:	(a) Year 2 in Civil Engineering Degree Course is required; and (b) Green Card is required when reporting for duty.
Duties:	To assist in management and site supervision of civil engineering works in KTD projects (e.g. Kai Tak River Open Space).
Normal Place of Work:	Kai Tak River Open Space
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 31 - Summer Intern (East Development Office)**

Entry Requirements:	(a) Year 2 or above in Electrical Engineering / Mechanical Engineering Degree Course is required; and (b) Green Card is required when reporting for duty.
Duties:	To assist in management and site supervision of E&M / TCSS works in Trunk Road T2 Site project.
Normal Place of Work:	Trunk Road T2 Site
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 32 - Summer Intern (South Development Office)**

Entry Requirements:	(a) Year 3 / 4 in Civil Engineering Degree Course or dual degree program in Civil Engineering and other degree courses is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in day-to-day project management and administration of the Public Infrastructure Works/Integrated Basement of West Kowloon Cultural District and the Round-the-Island Trail on Hong Kong Island projects.
Normal Place of Work:	West Kowloon Government Offices
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 33 - Summer Intern (South Development Office)**

Entry Requirements:	(a) Year 2 / 3 in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in day-to-day project management and administration of Contract No. SD/2022/02 - Site Formation and Infrastructure Works for the Development of Ex-Cha Kwo Ling Kaoline Mine Site (Phase 2).
Normal Place of Work:	West Kowloon Government Offices / on site
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 34 - Summer Intern (South Development Office)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; and (b) A valid Green Card is required when reporting for duty.
Duties:	To assist in day-to-day project management and administration of Contract No. SD/2024/01 – “Site Formation and Infrastructure Works for Public Housing Development at A Kung Ngam Village, Eastern”.
Normal Place of Work:	West Kowloon Government Offices / on site
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 35 - Summer Intern (West Development Office)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; and (b) Green Card is required when reporting for duty.
Duties:	To provide assistance in the site administration including the checking of submissions, inspections, designs, etc. of Development of the Loop : Main Works Package 1 – Contract 1 Site Formation and Infrastructure Works inside the Loop and Western Connection Road Phase 1.
Normal Place of Work:	Site office in the Loop
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 36 - Summer Intern (West Development Office)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; and (b) Green Card is required when reporting for duty.
Duties:	To provide assistance in the site administration including the checking of submissions, inspections, designs, etc. of Development of the Loop : Main Works Package 1 – Contract 2 Western Connection Road Phase 2, Connection Roads To Fanling / San Tin Highway and Direct Road Link Phase 1.
Normal Place of Work:	Site office in the Loop
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 37 - Summer Intern (West Development Office)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; and (b) Green Card is required when reporting for duty.
Duties:	To provide assistance in the site administration including the checking of submissions, inspections, designs, etc. of Development of the Loop : Main Works Package 1 – Contract 3 Direct Road Link Phase 2.
Normal Place of Work:	Site office in the Loop
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 38 - Summer Intern (West Development Office)**

Entry Requirements:	(a) Year 1 or 2 or 3 in Civil Engineering Degree Course is required; or Year 1 or 2 or 3 in Higher Diploma in Civil Engineering etc. is required; (b) Green Card is required when reporting for duty.
Duties:	To provide assistance in the site administration including the checking of submissions, inspections, designs, etc. for Contract No. YL/2023/03 - Hung Shui Kiu/Ha Tsuen New Development Area Second Phase Development - Contract 3 - Site Formation and Engineering Infrastructure Works.
Normal Place of Work:	Hung Shui Kiu site office of Contract No. YL/2023/03
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 39 - Summer Intern (North Development Office)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) Green card is required when reporting for duty.
Duties:	To assist the resident site staff to manage the works contract for Fanling North Fresh Water and Flushing Water Service Reservoirs.
Normal Place of Work:	Sheung Shui
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 40 - Summer Intern (North Development Office)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) Green card is required when reporting for duty.
Duties:	To assist the resident site staff to manage the works contract for Fanling North New Development Area, Remaining Phase: Site Formation and Infrastructure Works (East).
Normal Place of Work:	Fanling
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 41 - Summer Intern (North Development Office)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) Green card is required when reporting for duty.
Duties:	To assist the resident site staff to manage the works contract for Kwu Tung North New Development Area, Remaining Phase: Fanling Highway Widening (Kwu Tung Portion) and Associated Works.
Normal Place of Work:	Kwu Tung
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 42 - Summer Intern (North Development Office)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) Green card is required when reporting for duty.
Duties:	To assist the project officer to manage the consultancy and ground investigation works contract for the Establishment of Sam Po Shue Wetland Conservation Park – Investigation.
Normal Place of Work:	Kwai Fong (North Development Office) and occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 43 - Summer Intern (North Development Office)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) Green card is required when reporting for duty.
Duties:	To assist CEDD staff on consultancy and contract management for San Tin Technopole.
Normal Place of Work:	Kwai Fong (North Development Office) and occasional site / field visits
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 44 - Summer Intern (North Development Office)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) Green card is required when reporting for duty.
Duties:	To assist the resident site engineer to manage the works contracts for Fanling North New Development Area.
Normal Place of Work:	Kwu Tung
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 45 - Summer Intern (North Development Office)**

Entry Requirements:	(a) Year 2 or 3 in Civil Engineering Degree Course is required; and (b) Green card is required when reporting for duty.
Duties:	To assist the resident site engineer to manage the works contracts for Kwu Tung North New Development Area.
Normal Place of Work:	Fanling
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 46 - Summer Intern (Sustainable Lantau Office)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; (b) Working in the site office in Tung Chung is required; and (c) A valid Green Card is required when reporting for duty.
Duties:	To assist the Project Manager's Delegate in the daily contract administration of Contract No. NL/2020/03 "Tung Chung New Town Extension - Major Infrastructure Works in Tung Chung East".
Normal Place of Work:	Site office in Tung Chung
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 47 - Summer Intern (Sustainable Lantau Office)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; (b) Working in the site office in Tung Chung is required; and (c) A valid Green Card is required when reporting for duty.
Duties:	To assist the Project Manager’s Delegate in the daily contract administration of Contract No. NL/2020/07 “Tung Chung New Town Extension - Tai Ho Interchange”.
Normal Place of Work:	Site office in Tung Chung
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 48 - Summer Intern (Sustainable Lantau Office)**

Entry Requirements:	(a) Year 3 in Civil Engineering Degree Course is required; (b) Working in the site office in Tung Chung is required; and (c) A valid Green Card is required when reporting for duty.
Duties:	To assist the Project Manager’s Delegate in the daily contract administration of Contract No. NL/2020/06 “Tung Chung New Town Extension – Site Formation and Infrastructure Works at Tung Chung Valley, Phase 1”.
Normal Place of Work:	Site office in Tung Chung
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 49 - Summer Intern (Sustainable Lantau Office)**

Entry Requirements:	(a) Year 2 or above in Civil Engineering Degree Course is required; (b) Working in the site office in Mui Wo is required; and (c) A valid Green Card is required when reporting for duty.
Duties:	To assist the Project Manager’s Delegate in the daily contract administration of Contract No. IS/2022/02 “Improvement Works at Mui Wo, Phase 2 Stage 2”.
Normal Place of Work:	Site office in Mui Wo
Internship Period:	8 weeks starting from July 2025

**Job Title: Post 50 - Summer Intern (Sustainable Lantau Office)**

Entry Requirements:	(a) Year 2 or above in Architecture / Landscape Architecture / Urban Studies / Urban Design / Social Innovation Degree Course, or Year 1 or above student in Urban Planning Master Degree Course is required; and (b) Computer drawing skill/landscape design/urban design background and co-creation experience is an advantage.
Duties:	To assist in co-creation and detailed design project for Mui Wo township improvement, including conducting research, public engagement, community co-creation activities, field study; and to assist in updating database of environmental vandalism case of Lantau Island.
Normal Place of Work:	1063 King's Road, Quarry Bay
Internship Period:	8 weeks starting from July 2025
